At South Holt High School the school year of 78-79 begins. There are new experiences for us to take part in, and obstacles for us to conquer. Our memories for the future will be determined by the experiences and obstacles overcome through this school year. Each student has set their goals for the school year. What every student will get out of his classes will depend on how high their goals have been set.

Now let's enter the walls of South Holt and see how the students are affected by experiences and obstacles.

Each of these pictures are captured moments of soon to be memories.

We May Not Be Able to Change the Past

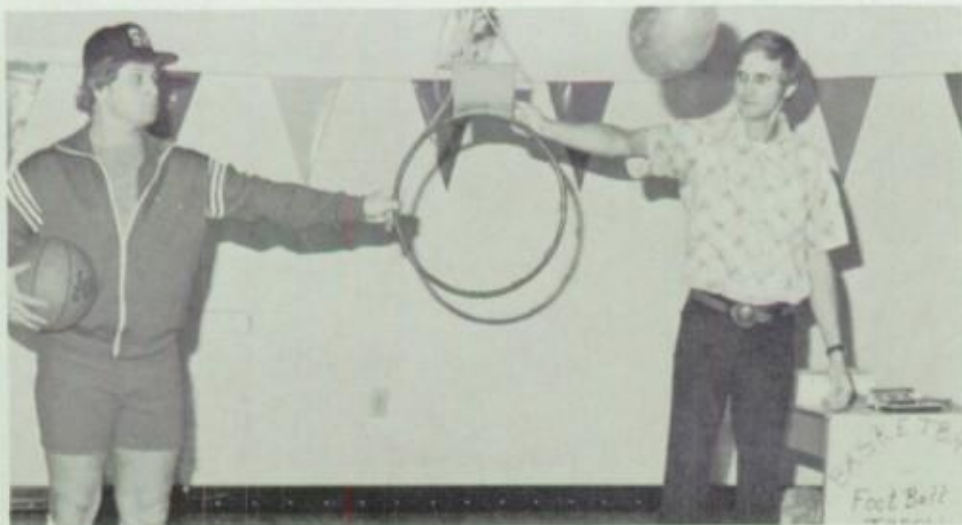

But We Can Help to Shape the Future.

No bird soars too high, if he soars with his own wings.

Administration Leads School

George Munro's first year at South Holt went smoothly. He holds a B.A. degree from Memphis State University in Memphis, Tenn. He has a Master's degree from the University of Missouri Columbia and a Specialist degree from the University of Missouri Columbia.

Robert Fuka has been the principal of South Holt for the past three years. He holds a B.S. in Education and a Masters from Northeast Missouri State University.

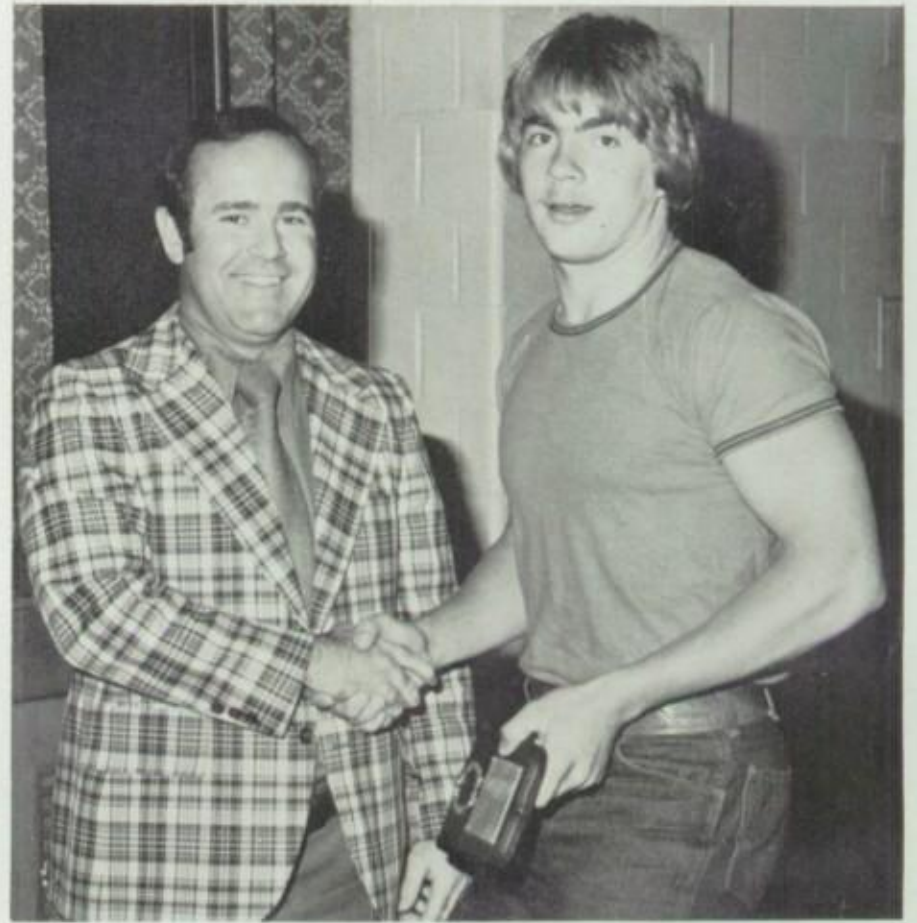

Below: Mr. Munro presents Mike Noellsch with the All Around Student Award. Below Left: Mr. Fuka presents Terry Anderson with the Citizenship Award.

Board of Education Sets Policy

The schoolboard kept busy with supervising personnel, setting policy, approving contracts, authorizing purchases, and finally at the end of the year, they presented the seniors with their diplomas. They kept the school running smoothly.

Mrs. Jack Kelly
Secretary to the Superintendent and the School Board

Students Depend on Personnel

The personnel worked hard behind the scenes to keep this school operating smoothly. They began at the crack of dawn driving buses and preparing lunches for the students. The bus drivers had seven routes morning and evening, they bused approximately 285 students daily, they also drove to ball

games and went on field trips. The cooks prepared meals for approximately 390 people every day which kept them busy. The custodians with the help of several students, kept the school sparkling from the gym to the Junior High.

Above and Clockwise: The custodians and school help: Katie Moore, Jerry Sipes, Beverly Gillenwater, Pam Ashlock, Doreen Lovelady. The cooks: Jerry Meyer, "Billie" Sommer, Eldora Cuninghame, Betty Hays, Mildred Adams, Irene Carroll. Bus drivers: Clella Whited, Bernadine Meyer, Virginia Oppenlander, Letha Mae Gordon, Bud Lippold, Glen Lippold, and Ronnie Kunkel.

Faculty Provides Guidance

As much as most of the students would hate to admit this, the student body couldn't get along without you, the faculty. We look to you for guidance in our school work and we need you to help us prepare for further schooling or our jobs after high school.

Ma Richards Throws in the Adz (Axe) Handle

It was indeed a sad day at South Holt. Mrs. Richards had announced plans to retire at the conclusion of the 1978-79 school year. After 33 years of teaching, Mrs. Richards had decided to "quit while she was on top." Mrs. Richards could be called "the woman behind the scenes" for she had been involved in many school activities and had accomplished much for the school.

The colorful, witty lady called "Ma" had always been a favorite with her students. Her prized possession and trademark was always her axe or adz handle.

She once said that she could remember something about every student she'd taught. It is safe to say that every student could also remember her.

The halls of South Holt and Classroom No. 1 are silent; no more do we hear her familiar laugh, her voice. But the memories will echo and remind us of "Ma". Good luck Mrs. Richards!

Above: Robb Roberts presents Mrs. Richards with a plaque from the students.

ACTIVITIES

Above and Clockwise: Senior members of N.H.S. Mrs. Richards addresses the National Honor Society for the last time. Junior members of N.H.S. Mrs. Richards prepares members for the trip. Karla McAfee speaks at Honor Society initiation.

Below and Clockwise: Julie Brown receives her certificate and carnation. President Rob Baird speaks at the National Honor Society initiation. Sophomore probationary members. Mrs. Richards travels incognito on N.H.S. trip.

National Honor Society Initiates Fourteen

This year there were two seniors and twelve juniors initiated into the National Honor Society, and fifteen sophomores were chosen as probationary members. An installation was held for the induction of new members. Mrs. Richards made her final address to the National Honor Society.

Two trips were taken by the National Honor Society this year. The first trip was to St. Joseph to see a movie and to eat at the Sizzler Steak House. The second trip was to Kansas City. The first stop was at the Country Club Plaza shopping center. Everyone shopped and some made one major purchase—a squirt gun. Mrs. Richards said it would be okay to squirt each other if we didn't get soaked. Well, we did, and Mrs. Richards had a fit. We went downtown in Kansas City to eat at Italian Gardens. We enjoyed our meal and filled our squirt guns. Mrs. Richards made us empty our squirt guns in the parking lot. After a long day, we boarded the bus for home, and behind Mrs. Richards' back we got wet.

Below and Clockwise: Tammy Polaski, Tony Elder, and Bradley Kurtz helped at the open house, and so did the rest of the members somewhere. Student Council members clean up school grounds. Members from left to right: Brandon Cotton, Brenda Burrier, Tony Elder, Mike Noellsch, Tammy Polaski, Lynn Prussman, Bradley Kurtz, Cindy Schaeffer, Gina Atkins, and not shown is Ernie Turner. Mrs. Richards is our sponsor.

Student Council Has Successful Year

The student council has had a very successful year. They worked hard and raised a large sum of money by selling candy and pop. The money earned was used to purchase new books for the library, new drapes for the cafeteria, table and chairs for the lounge area, and provided scholarships for outstanding seniors.

Toward the end of the year the annual election to elect a new president and vice-president of the student council was held. Candidates first competed in a primary election. Campaign speeches and posters highlighted the election. Dan Doebbeling was elected president with Julie Brown as vice-president.

Below and Clockwise: Mrs. Richards and Brenda Burrier, president, conduct student council meeting. Dan Doebbeling and Julie Brown our newly elected president and vice-president. Dan Doebbeling giving his acceptance speech after receiving the gavel from 1979 president Brenda Burrier. Brenda Burrier and Tammy Polaski work hard decorating the Christmas tree in the hallway, which will be used at the Christmas dance sponsored by the student council.

FHA Works For Kidney Foundation

The FHA chapter sold tootsie rolls for the Kidney Foundation. This was a non-profit project and the chapter received a congratulatory letter from the Kidney Foundation for being a leading seller of tootsie rolls.

The FHA chapter also obtained 100% participation at the regional meeting at Maryville which they were recognized for.

Other activities of the FHA chapter included the Sweetheart Dance, in February, a football homecoming display, and a family get together.

To finish out the year, the FHA girls went on a

trip to Kansas City, Where they went shopping and attended a dinner theatre. Money was raised for this trip by selling french fries at ball games.

Above and Clockwise: Julie Brown and Denise Meyer dressed up in their robes for FHA housewife day. Cindy Schaffer serves Mrs. McComb as Lori Hunzinger, Becky Baker, and Mona Reynolds observe. Mrs. McComb and Ann Bender eating at the Senior FHA breakfast. Mrs. McComb and her "coffee cup" during FHA week. Lynn Prussman and Kerry Atkins in Biology class with their babies on FHA house wife day.

South Holt Shines With Spirit

The South Holt Cheerleaders, sponsored by Mrs. Barbara Williams, kept spirit burning throughout the school. Five cheerleaders attended a clinic at Northwest Missouri State University in Maryville. Routines, chants, and cheers were taught. Pep assemblies and athletic activities were led by the six cheerleaders. The South Holt Knight cheerleaders for the 1978-79 school year were Robin Dougherty, Gina Atkins, Julie Brown, Terri Slusher, Cindy Schaeffer, and Ann Bender.

The cheerleaders participated in a Swim-a-Thon in August. Money was raised for five cheerleading jackets, five emblems, and paying back parents from cheerleading clinic.

LEFT and CLOCKWISE: John Costello was blind folded by a cheerleader at a pep assembly and told that he would get kissed by a girl from the crowd. The girl turned out to be his mother. Terri Slusher takes off Mr. Campbell's sock during a skit. The cheerleaders do a chant which has a solemn beginning. Bob Fuller dressed as a woman waters his flowers. Sheldon Bender and Ed Woolsey are his flowers. We all need somebody to lean on seems to be the slogan for these girls. The senior cheerleader, Robin Dougherty, just got a pie thrown in her face by a basketball player. CENTER: The cheerleaders build a formation which resembles a pyramid.

Yearbook Staff Goes to Maryville

A trip to Maryville for a seminar on yearbooks started the year off for part of the staff. Brenda Burrier, the new members of the staff, and Lari Montague divided up and went through the different aspects of producing a yearbook.

RIGHT: Robb Roberts, Denise Meyer, Lari Montague, Brenda Burrier, and Susie Dannar looking over some yearbooks. BELOW: Members of the yearbook staff after the seminar. From left to right: Susie Dannar; Brenda Burrier; Denise Meyer; Mr. Victor Buntz, advisor; and Robb Roberts.

Staff Works Toward Completion

Towards the end of the school year and for several weeks after school was out the staff work long and hard to complete the yearbook. The work

on the yearbook did not stop until the second week in June. The staff did not stop to count the long hours they put in to finish the yearbook.

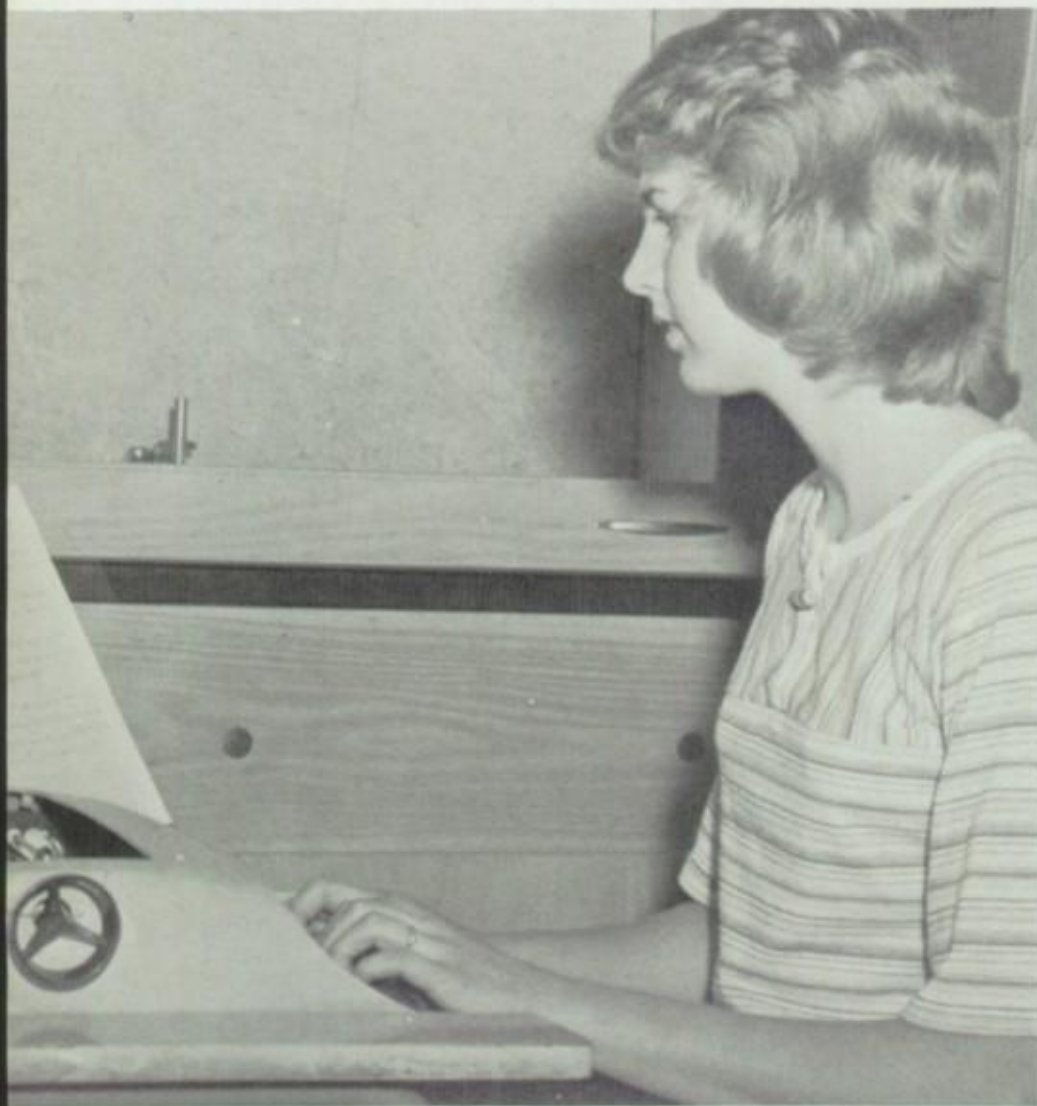

Top left: John Costello and Deborah Brown working on the yearbook. Top: Susie Dannar looking through the proofs. Left: John Costello working on the yearbook. Above: Denise Meyer typing up copy.

Journalism Class Keeps Knight Life Going

Each member of the staff served as editor or assistant editor for one of the issues. Members of the class were: Debbie Burger, Lola Dozier, Mike Hughes, John Kurtz, Tammy Polaski, and Mona Reynolds.

In addition to learning the skills necessary to produce a newspaper - reporting, copyreading, proofreading, typing dummy copies, and making up the pages - the Journalism class published seven monthly issues of the KNIGHT LIFE, including a special eight-page graduation edition.

Below and Clockwise: Tammy Polaski and Mona Reynolds look through the journalism class file drawer to find needed information. Tammy and Mona inspect a newly completed KNIGHT LIFE. Lola Dozier typing copy.

Pep Band Provides Entertainment

South Holt's pep band provided fine entertainment this year by playing at pep assemblies and ball games.

The pep band members are those except the members involved in the sports of the season.

CLOCKWISE: Angela Matthews and Carla Kurtz perform during a pep assembly. The brass section produce sound. Terri Oppenlander and David Huntsman prove that saxophone is king.

Marching Band Wins Honors

The South Holt marching band worked hard throughout this marching season. The band, 76 members strong, worked nearly 80 hours on perfecting their style and formation. The band was under the direction of Riley Schenk and under the leadership of Majorette Debbie Brown.

The festivities of the Holt County Fall Festival brought the band out to lead the General Parade. The band then traveled to Maryville competing in class 1A against 42 other bands, they won a first place trophy. With their spirits high, the band went to St. Joe where they won third place from class 11A competition of 40 total bands.

The band also kept busy with pre-game and half time shows for the home football games.

Above and Clockwise: The band is on the street practicing first thing every morning. The band leads the General Parade of the Fall Festival on Main Street of Oregon. Mr. Schenk and Majorette Debbie Brown display our first and third place trophies. The band prepares for their next half-time show. Majorette Debbie Brown gets the band going at a hal-time show.

Left and Clockwise: Mr. Schenk directs at the Spring Concert. Shelly Derr plays her trumpet at the Concert. The band is ready for the Winter Concert. Kelly Kurtz plays his tuba. Georgi Derr, Kerry Atkins, and Lynn Prussman play their saxophones.

Concert Band Rates High

At the close of marching season, the concert Band got underway. They began preparing for the Christmas Concert, which was December 17. With the Christmas Concert over, the band began the long, hard work of preparing for contest. They put in nearly 80 hours of practice. The band took two contest pieces: Analouge by Leckrone, and Concerto Grosso by Vivaldi. The band received a II+ rating. The band then performed for the Spring Concert on May 13. Ending with a standing ovation, Mr. Schenk's last year here at South Holt was a successful one.

Left and Far Below: Miss Noble introduces her chorus members to the crowd at the beginning of the Spring concert. The Senior members of the choir have the privilege of singing at graduation. The chorus teacher, Miss Noble, gets ready for the next song.

Chorus Entertains at Concerts

The chorus class this year was kept busy with two major concerts, a spring concert and a winter concert. These concerts went very well and everyone enjoyed listening to the choir sing.

Other activities included a trip to St. Joseph to sing in the East Hills shopping center. They went around Christmas time and sang Christmas carols. They shopped for awhile afterward and everyone had a good time.

Above: The choir entertains at the winter concert. Below and Right: Georgi Derr, Debbie Brock, and Lora Matthews sing a trio at the winter concert. Members of the chorus take a break from singing during the winter concert.

Knights Have A Winning Season

For the first time in recent years South Holt's football team has had a winning season. Under the brilliant guidance of first year Coaches Mike Fisher and Russell Foster the Knights finished the season with a 5-4 record and a 3rd place finish in the 275 Conference.

Conference and District Honors

This year South Holt was honored by having one of its football players recognized by not only the 275 Conference but by the Northern District and by the State. Running Back Mike Noellsch rushed for over 1,000 yards this year and played outstanding defense. During the week of September 9, 1978, Mike was selected State 1A Player of the Week and the Northern District 1A Player of the Week. At the conclusion of the 1978 Football Season the 275 Conference Coaches elected Mike Noellsch to the 275 All-Conference Team on Offense and Defense. Shortly thereafter the area's sportswriters elected Mike to the All-District Team on Defense. These honors would not have been possible without the help and support of the rest of the team.

Above: Mrs. Campbell, Coach Bob Campbell, and their son Mike helping at the scorer's table. Left: Anthony Hurst going up for the tip.

Knights Face a Tough Season

The Knights finished the season with a 8-12 record overall and 2-6 in the 275 Conference. As can be seen by looking over the scores the Knights lost several very close games. The team started the season off with several victories but during the middle of the season it went into a slump with several very close games. To complete the 1978-79 season the Knights reached the second round of the Maryville Regional for the second time in two years.

Below: The team coming out on the court before the tip off. Bottom: Curtis Hall, Mark Dudeck, Robert Costello, and John Costello. Bottom left: Dan Doebebeling and Mike Noellsch.

Knights Show Determination

Throughout the season the basketball team did not give up. It kept going week after week playing one team and then another. When South Holt took the court Becky Baker in her Knight uniform would lead the team around the court for a victory lap. Then when it came time for the introductions of starters Becky would go to the center of the court and knight each in turn. Some of the visitors might laugh at it but many a time that laughter turned to worry when the game progressed.

At the conclusion of the season the coaches of the 275 Conference elected Terry Anderson to the 275 All-Conference Team and later Terry was elected to the All-District Team. Anthony Hurst made Honorable Mention on the 275 All-Conference Team.

Top: Kevin Atkins and Terry Anderson bring the ball down the court after Terry Anderson got the rebound. Top Left: Mike Noellsch brings the ball down the court. Above: Ernie Turner with the ball and Terry Anderson at post. Left: Becky Baker in her Knight uniform.

Younger Members Show Potential

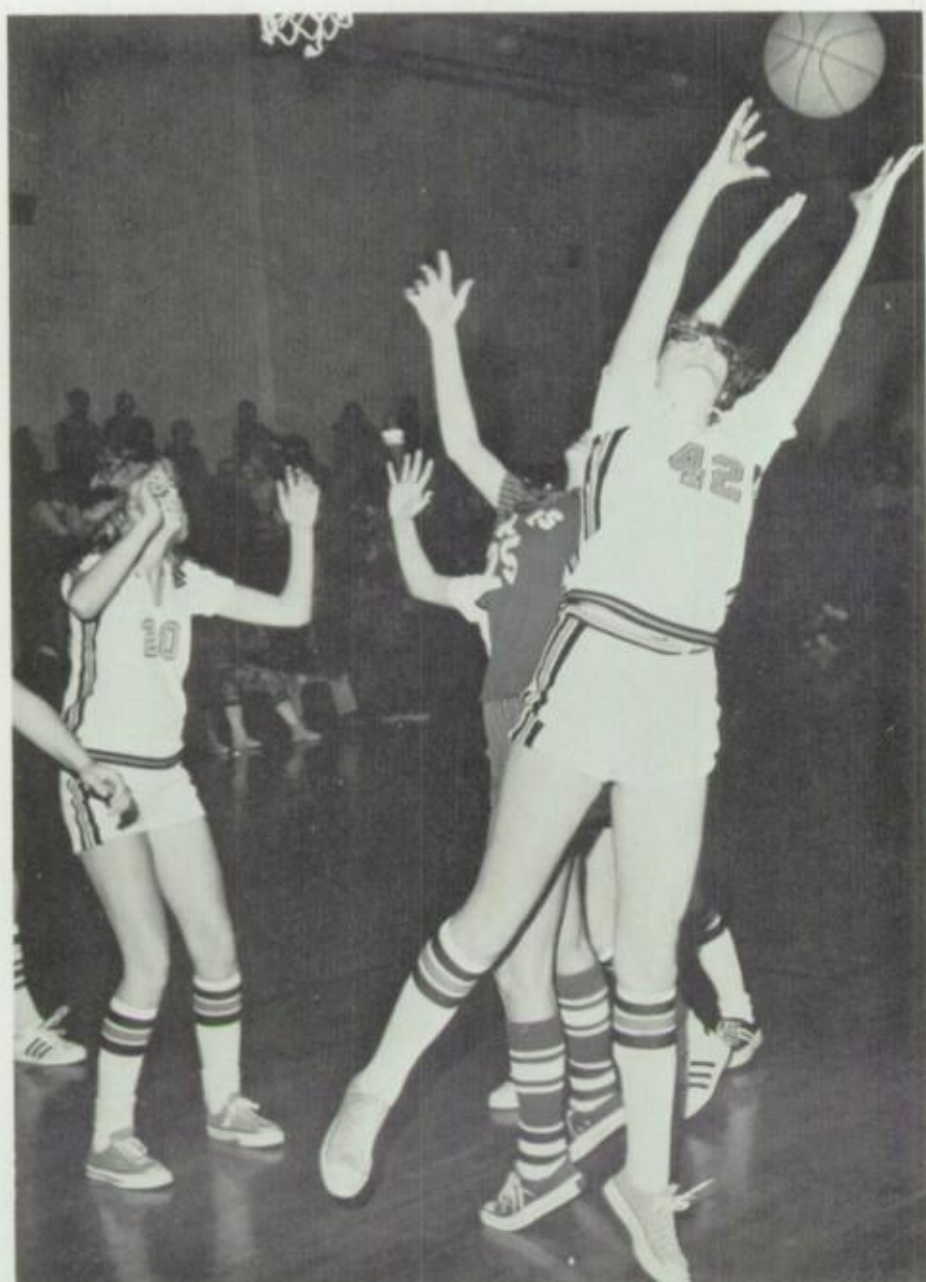

Though it might be reflected by their record the Junior Varsity Squad of the basketball team shows great potential for the coming years. Without the Seniors it will be up to them to make a new team and fight on. South Holt's style of basketball will also have to change because of the lost height inside that was provided by Terry Anderson and Anthony Hurst and helped by the outstanding jumping ability of Mike Noellsch.

Below Left: Terry Anderson shooting a freethrow. Below: Monty Scroggins fouling a person going in for a layup. Bottom: Dan Doebbeling fighting for a rebound.

Varsity Girls Hustle This Season

This years varsity basketball girls hustled their hardest to pull off victories. They won a few and lost a few, but more important than winning or losing, they represented their school in good sportsmanship and spirit. These girls gave everything they had hustling up and down the court, they played together as a team and learned the value of depending on each other on or off the court whether they were friends before or not they drew close because of a love of a small round orange ball. These girls hustled but more important learned values of working together as a team.

Above and Clockwise: Coach Salmon gives us encouragement and a secret play. Ann Bender and Brenda Burrier try for the rebound. Brenda Burrier tears out for the fast break.

JV Fights Hard This Season

The JV girls fought hard to win and like the varsity girls won a few and lost a few. These girls had a great desire to play the game and a great potential of becoming next year's varsity girls. These girls with their desire will probably be in a couple of years the 275 conference champions. "Let's Go" girls - fight to win.

Above and Clockwise: The JV basketball girls all fight hard for the ball. Shelly Derr Stretches for the ball to find her arms aren't quite long enough. Terri Slusher goes up for a lay-up. Ronda Quick tries hard for the rebound. Coach Salmond tells the girls a secret play.

Grapplers Have Excellent Year

This year's wrestling team consisted of fourteen members. The team improved as the year went on. There were eight returning wrestlers and three of the eight placed at either District, Regionals, or State. There were six new wrestlers who proved promising and helped the overall program succeed.

Above and Clockwise: Senior members of the wrestling team from left to right, John Kurtz, Les Whisler, Phillip Muscavage, Tony Elder, Rick Roecker, Rob Baird, and David Carmean. Rob Baird reverses on his opponent for points. Tony Elder tries to pin his opponent.

Wrestlers Place In Competition

Three wrestlers placed in competition this year. Rick Roecker placed 2nd at District, won Regionals, and placed 6th in the 145 lb. weight class at State. Rick has an outstanding record in wrestling. During the last two years, Rick has combined a regular season winning record of 35 wins and 0 defeats. John Kurtz placed 3rd in the 119 lb. weight class at District and went on to Regionals. Les Whisler placed 4th in the 126 lb. weight class at District and moved on to Regionals.

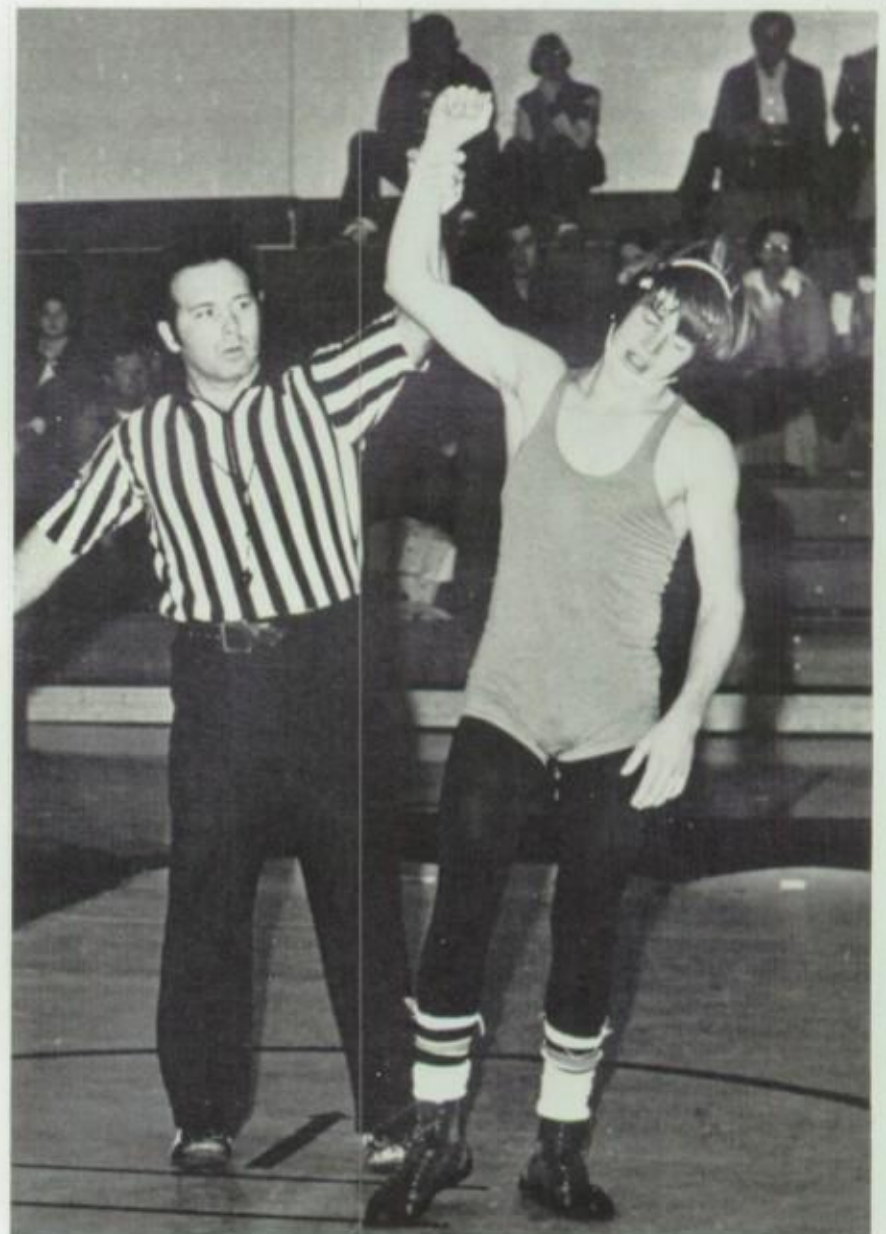

Awards were given at the end of the year to outstanding wrestlers. The outstanding wrestler, most pins, most takedowns, and most team points awards went to Rick Roecker. John Kurtz received the most improved wrestler award and Bradley Kurtz received the most improved beginner wrestler award.

Above: John Kurtz, Rick Roecker, and Les Whisler all placed in competition. John Kurtz placed 3rd at District and Les Whisler placed 4th at District. Rick Roecker placed 2nd at District and 6th at State. Below: John Kurtz is victorious in the 119 weight class after defeating his opponent.

Track Proves Successful

South Holt tracksters set eight new records this year. Ann Bender set two new records. Her time of 28.3 in the 220 yard dash and 12.1 in the 100 yard dash bettered the old records. Shelly Derr also set two new records. She bettered the 880 yard dash with a time of 2:38.9 and her one mile run time of 5:44 which placed her third at State. Mike Noellsch set the new time of 11.6 in the 100 meter dash. Robin Dougherty's new record of 12.0 in the 80 yard low hurdles erased the old record. The 440 yard relay team, which consisted of Robin Dougherty, Cindy Schaeffer, Terri Slusher, and Ann Bender, set a new time of 55.4. The 880 medley relay record was bettered by Robin Dougherty, Cindy Schaeffer, Ann Bender, and Shelly Derr with a time of 2:05.56. The two mile relay team placed seventh at State with a time of 11.07. The members of this team were Cindy Schaeffer, Brynda Cotton, Shelly Derr, and Terri Slusher.

Below and Clockwise: Terri Slusher glides across the hurdles. Ann Bender heads for victory in the 100 yard dash. Tony Elder runs hard for the finish line and the time clock.

Girls Place At State

This year members of the girls track program went to compete in the State Meet at Jefferson City. Shelly Derr placed third in the one mile run. The two mile relay team of Cindy Schaeffer, Brynda Cotton, Terri Slusher, and Shelly Derr placed seventh at State. These girls should be congratulated for their hard work all season. The whole track program had an excellent year, and Coach Russell Foster proved that South Holt could have a good track program.

Below and Clockwise: Tom Book gets his second wind. Robin Dougherty runs in the 440 yard relay. Shelly Derr poses for a picture after placing third at State in the one mile run. The two mile relay team pose after State competition.

The school cooks seem to enjoy Halloween better than the children. RIGHT: Robin Dougherty and Rick Dozier are selecting music for a sock hop.

ENTERTAINMENT

Spirit Week Fires Knights

Spirit week is the week before homecoming set aside to get Knights fired up. Each day we will dress differently to get our Knights worked up for a victory - we hope. At the end of the week we have a black and gold day and the burning of the effigy along with several pep rallies. If you aren't fired up by the end of the week your spirit is dead.

Below and Clockwise: Kevin Atkins dresses like Darth Vader. Seniors try to win with this display. "Hang 'Em High" was the FHA display. "Hungry for a Victory" was the display the juniors came up with. Brandon Cotton shows his spirit by participating in the movie star day. Sophomore girls think they're hip. Boys offer their talents to help out cheerleaders.

Polaski Gets Queen

The 1978 Homecoming was started the evening before homecoming. We paraded uptown to the courtyard and held a pep rally. Before returning to school Tammy Polaski was robed queen. The other candidates were Lola Dozier and Robin Dougherty. Then upon returning to school we had the burning of the effigy.

Below and Clockwise: Coach Fisher gives talk to football players' mothers. Knights run through the hoop to play their best. Queen Tammy and her court. Tammy Polaski homecoming queen.

Homecoming Builds Spirit

On homecoming day everybody was excited. The displays from each class and organization was set up in the school yard and were judged. The sophomore class took first with "Gone with the Win ." The FHA encounter girls held a mother's tea in the Home Ec room and the coaches talked to them. All the mothers were invited to stay for the pep assembly to follow the tea. The football game was against the Craig Hornets and the Knights were defeated and this put a damper on our celebration.

After the game, all the Knights and their fans assembled in the gymnasium for the coronation of the queen and the dance which followed.

Below and Clockwise: Tammy Polaski was robed homecoming queen by Coach Fisher. Football boys are hard to stop. Cheerleaders hold pep rally at the burning of the effigy. Everyone enjoys dancing to South Holt sound system.

Holidays Bring Smiles

The 1978 Christmas Dance was sponsored by the Student Council. The dance was opened with music from the band Magnum. After the dance was approximately half over we held a dance contest, and all through the dance door prizes were given away. Santa paid his annual visit to the South Holt High School and this brought smiles to all.

Below and Clockwise: Cindy Schaeffer and Brandon Cotton took first place in the dancing contest. Everyone is dancing to music from the band Magnum. Mike Noellsch's friends observe his new Christmas gift.

Brenda and Mike Reign

The Sweetheart Dance was sponsored by the FHA chapter (Future Homemakers of America). The queen and king, who were chosen by the Student Body, were Brenda Burrier and Mike Noellsch. They were crowned by Becky Baker, the court-warming queen, and Anthony Hurst, the basketball captain. The theme for the dance was "Color My World."

Below and Clockwise: Don Moorhead, the disc jockey for the Sweetheart dance entertained us with lights and music. Everyone enjoyed dancing to music with their favorite guy or gal. Heidi Hall and Shannon Welsh served as our crown-bearers. Brenda Burrier and Mike Noellsch were the queen and king.

Dance, Dance, Dance!

Dance, dance, dance was what everyone was yelling when the music was turned on. Young and old alike enjoy dancing. A new "disco fever" has taken over the country and it is very contagious. Students

at South Holt have caught on quickly and we look forward to every "sock hop" that comes up. Not only do they provide fun and laughter, but they might also spark a new romance. How about it, boys?

Below and Clockwise: Rick Roecker demonstrates his "getting down" ability. Classmates Tommy Kreek and Tana Hensely share a dance and a laugh. Freshman Tracy Stroud "shouts it out" at the Freshman initiation dance. The initiation dance for the Freshmen has become a tradition. It is held at the beginning of every school year.

Left and Below: Chuck Naidl shows off a snake from his reptile farm. Rick Roecker receives a "hand" for his participation in the energy conservation assembly. Carla Kurtz experiences a hair-raising electrical shock.

Assemblies Provide Breaks in Schoolwork

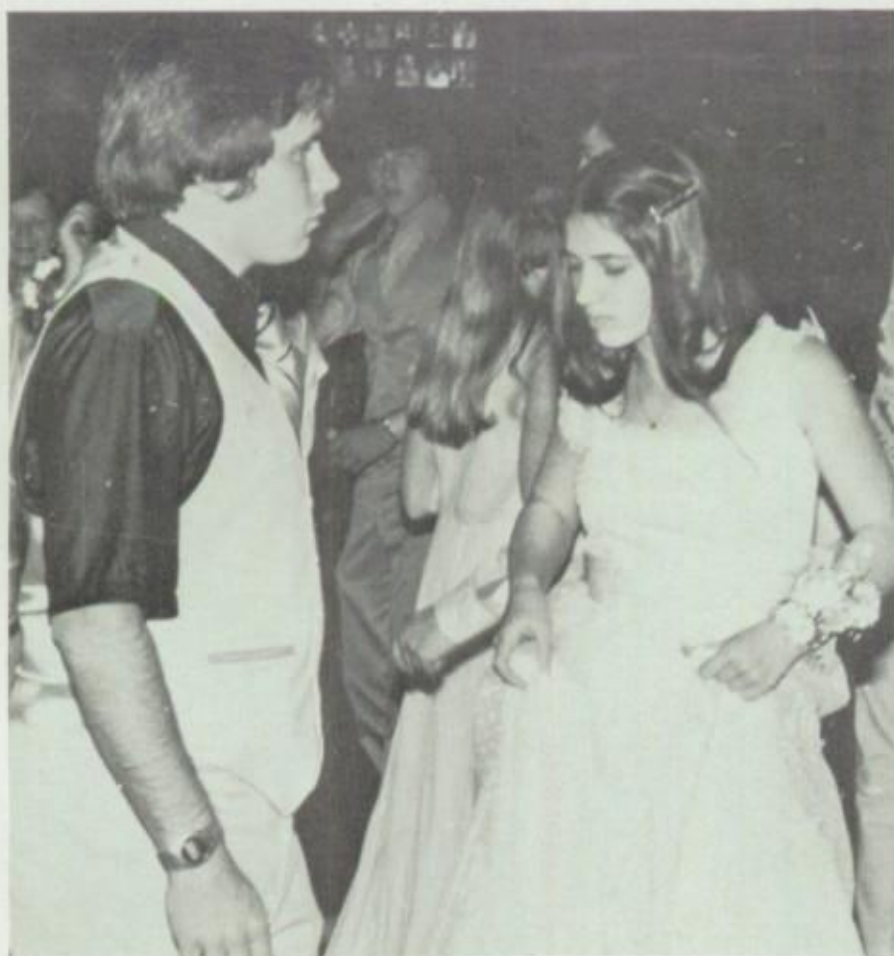

Not only do assemblies get us out of our classes, they provide entertainment and education. They break up seemingly endless weeks of school and schoolwork.

We had two major assemblies this year. The first assembly we had was about reptiles, mainly snakes.

Chuck Naidl brought snakes from his reptile farm and demonstrated his snake-handling ability.

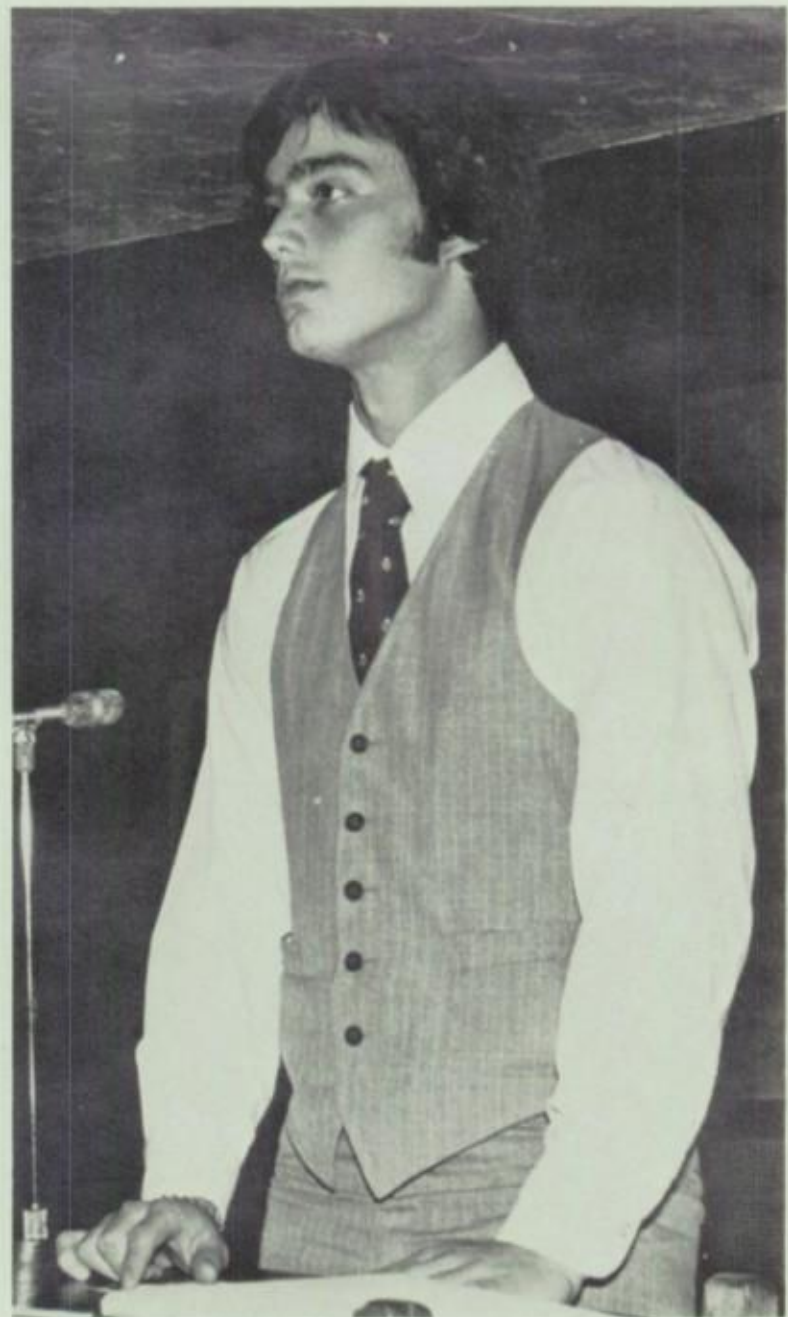

Our second assembly was a very timely one. It was about the conservation of energy and a few alternatives to oil. It was entertaining as well as informative.

Prom Held In A Barn

The Platte Purchase Barn was the site of Prom. On the evening of May 4th nearly 100 people climbed aboard three school buses for the trip to Gower. Upon arrival, everyone thought we were lost at a big old barn. We went in to find a very nice setting for Prom. We had a good four course meal, then "Magnum" played for us. We left the barn at midnight for the journey home.

Left and Clockwise: Mrs. Richards talks as the toast-master at Prom. Brenda Burrier and Beth Guyer make a toast with their water glasses. Kevin Atkins and Denise Meyer enjoy the dance. The dance floor is crowded. Robb Roberts and Eric Planalp admire Mark Whisler's new class ring. Rob Baird thanks the Junior class for the Junior and Senior Prom.

Pantomime Goes Over Good

The mimes performed 36 pantomimes in place of a school play. The cast of 15 mimes were guided by Mrs. Freeman. The pantomime technicians were Kerry Atkins, Lynn Prussman, and Tracy Stroud.

Pantomime is wordless. The mime communicates with his audience through body movement, gesture, and facial expression—most of these stylized and exaggerated. Pantomime is believed to be man's first attempt at communication with the universe. From Greek "mimos" (to mimic) and "Pan" (Greek God of the Universe) came the Art's name.

The actor or mime covers his personality with white face so that he is no longer a person; he becomes No Man. The mime is then able to represent Everyman. When the mime is completely made-up (in full make-up), he is forbidden to communicate verbally with any other person. This is part of the code of honor of mimes throughout the world. Pantomime is designed to focus thought on the complexities and beauties of life.

The pantomime went over so well that the mimes were asked to perform at the Alumni Banquet.

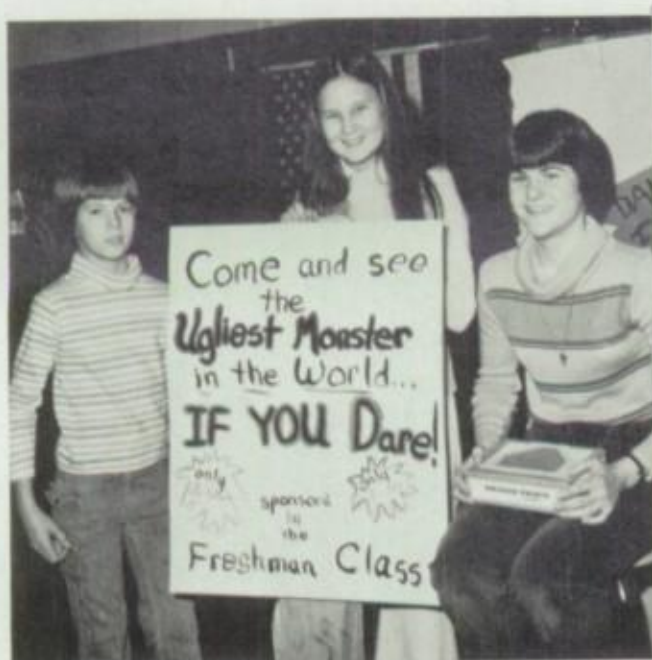

Left and Clockwise: The cast performs in "The Chair". Kelly Atkins kills her butterfly. Julie Brown pouts in "Playground". Beth Guyer shows off her elephant in "Elephant Lifter". Denise Meyer presents the card for "Butterfly".

PTA Hosts School Carnival

PTA hosts another school carnival after the success of the one the year before. The carnival contained different stands from each class of high school and from some of the grade school classes. Some faculty coaches had a stand with football throwing and basketball shooting. There were cake walks, door prize drawings, variety show, and many more fun things to entertain you at the carnival. The carnival was a success and had a large turnout from our community people and from the kids at school.

Above and Clockwise: People being put in jail by our heroic sheriff. The freshman girls watch their stand "Ugliest Monster in the World." A large turnout for the school carnival.

Knights Have Courtwarming

The South Holt basketball boys sponsored a courtwarming this year. The courtwarming's main goal was to get the community involved and to raise money for their outing to Columbia, Missouri, to see the state basketball tournament. The money was raised by having queen candidates from each class and one representing the boys basketball team. The candidates set cans out all over the community so the community picked the queen. Each penny counted a vote for the candidate and there was no limit to how much money one person could contribute. The candidate with the most money by the courtwarming was crowned queen. The first attendant was Michel Hall representing the Sophomore class and the courtwarming queen was Becky Baker representing the Junior class.

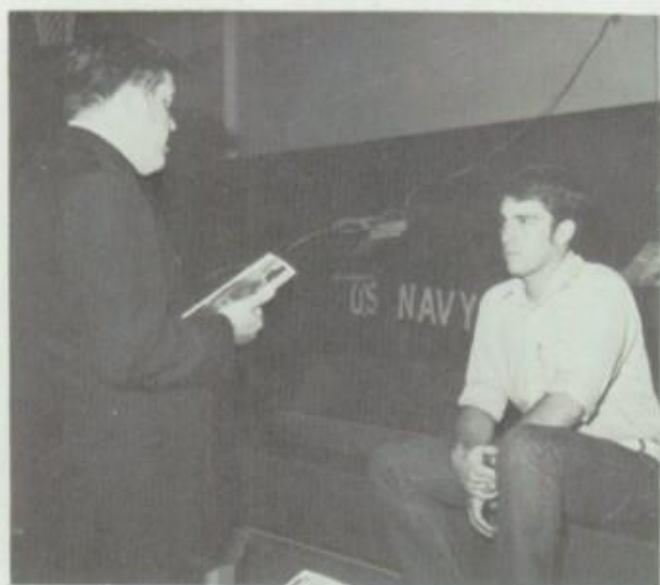

Below and Clockwise: Anthony Hurst, basketball captain, crowns Becky Baker queen. Missy Munro and Randy Williams served as the flower girl and crown-bearer. Courtwarming queen Becky Baker.

South Holt Hosts Area Career Day

All seniors from area schools came down to South Holt for the annual career day. Career day is when representatives from several colleges, universities and armed forces come to talk to the seniors about opportunities that are available to them after graduation.

Below and Clockwise: Robin Dougherty, Brenda Burrier, and Debbie Allen Brown learn about Missouri Valley College. These seniors listen to a representative talk on Missouri Western. John Costello learns from a Navy representative.

FAR BELOW: Kelly Monahan is peeling and slicing tomatoes for sandwiches. BELOW: The concession stand is being painted by Beth Guyer and Sondra Cline. RIGHT: Ramona Reynolds is quietly studying in the library.

Freshmen Prove Ability

The freshmen year of high school is probably the most difficult. The change from Jr. High to Senior High is quite a big one. The freshmen participated in many activities and proved themselves to be a part of the whole.

The freshmen class at South Holt attended County Government Day on April 23 at the Holt County Court House. Events included a tour of the county offices, the jail, the firehouse, and a general assembly with guest speaker, Ken Jones, juvenile officer for the Fourth Judicial Circuit. At noon lunch was served at the Methodist Fellowship Hall.

The freshman class at South Holt prepared itself by holding an all-school election for each of the 14 county offices. The students divided into two political parties, the Nationalists and the Federalists, and made campaign posters along with delivering a two-minute campaign speech. County Government Day is sponsored by the American Legion and Auxiliary units of Holt County.

Sophomores Work Together to Accomplish Goals

Homework, school activities, and extracurricular activities kept most of the Sophomores busy this past school year. They were involved with money-making stands that should set them up financially for their Junior year in high school.

Left: Standing behind the winning homecoming display are Michel Hall, Mark Dudeck, Brandon Cotton, Cheryl Roecker, and Tommy Kreek. The Sophomores worked hard, and with combined efforts, captured first place. They were very proud to have the first place display. Congratulations, Sophomores!

The Sophomore class this year was an active one. It seemed like there was always some kind of school activity. If it wasn't a concession stand at a football game or basketball game, it was football homecoming, which the Sophomores captured first place for their spirit display. Then there was basketball homecoming. The Sophomores had to choose one girl out of their class to represent them. The class chose Michel Hall and Michel had to choose a sophomore boy to escort her. Michel had the honor to take first attendant.

The Sophomores also had a very successful money-making stand at the P.T.A. sponsored school carnival.

Juniors Have Responsibility

The juniors learned to take on responsibility, their biggest responsibility was the Junior and Senior Prom. They worked hard with concession stands at football and basketball games, held bake sales and sponsored a sock hop. These fund raising activities combined with class dues allowed them to have a very successful Prom.

Juniors Enjoy Being Upper Classmen

The juniors were involved in almost everything, football, basketball, wrestling, track, F.H.A., Lettermen's Club, National Honor Society, and many more. They pro-

vided leadership in many of these areas to prepare them to be the Seniors of South Holt next year.

Seniors Graduate With Thirty-three

The Class of 1979 started in 1966-67 with 31 members but because of gains and losses of students this class graduated with 33 members. Senior sponsors for

the 1978-79 school year were Mrs. Shirley Jasper and Principal Robert Fuka.

Seniors Work Hard and Do Well

The Senior Class of 1979 did very well in their school studies. By the time the class graduated almost half of its members were in the National Honor Society. When the Class of 1979 graduated it had six of its members or 18% graduate 'With Honors'. For

a student to graduate 'With Honors' he or she had to maintain a 9.50 or better grade point average on an 11 point scale throughout their four years in high school.

Males Dominate Senior Class

Boys outnumbered the girls in the Senior Class at a ratio of $1\frac{1}{2}$ to 1. Even though the boys outnumbered the girls, the girls still had a voice in class activities. The class was also unique because most of the Senior boys and some of the girls could not meet Mrs. Richard's standard of spelling.

Seniors Become Close

After thirteen years together in school, some of the Seniors were reluctant and sorry to see their graduation come. In the final weeks of school together the class became closer than it had before. The end of their high school education was highlighted by a trip to Omaha for roller skating and a Doobie Brothers Concert. Upon their graduation the Class of 1979 went its separate ways, but one thing is certain. They will always remember their high school days at South Holt as the best in their lives.

Seniors Welcome Graduation

The 1979 graduation was welcomed by the seniors. They realized on May 17, 1979, when they marched in to Pomp and Circumstances, played by Mr. Riley Schenk, they could never go back. The song then sung by ten of the seniors said it all - "It's Time for Movin' on My Friend." Mr. Munshaw of the Methodist church gave our Baccalaureate, which was very touching to our hearts. The honor students and people receiving scholarships were recognized. Our brass seven played for graduation. This group also competed in the state music contest. Mr. Jim Ross from the radio station KMA gave our commencement speech, which got us thinking about our lives and what we are going to do with them. Then the address was given by Rob Baird. Our diplomas were handed out by the school board of education. We assumed this to mean it was time to start looking for our new beginnings and we welcomed the new adventures ahead of us.

Below and Clockwise: Debbie Burger helps Lola Dozier with her cap. Jim Ross giving the speech for commencement. Dan Doebebeling and Julie Brown escort the seniors.

Below and Clockwise: The senior chorus sings at graduation. Mark Plummer receiving his diploma. Brass seven plays at graduation, too. Honor students and recipients of scholarships are recognized.

What lies behind us and what lies before us are
tiny matters compared to what lies within us.

At South Holt High School the school year of 78-79 ends. Some of us are parting for the summer, others are parting forever. Although some of us may never meet again we still have wonderful memories. We can thumb through the pages and think back on all the good and not so good times. We will remember the winning and losing, the long bus rides, the hours of study and those long term papers. If you stop and think about it, it was worth it.

On behalf of the staff we hope we have captured many, many wonderful moments that can be cherished.

The Staff
